STATE HIGHWAY COMMISSIONER, Lansing, Michigan.

R:-

At a meeting of the Township Board Board of County Road Commissioners for the Township of Bates County of Iron held this 21st day of August 1916, the following resolution was adopted:

"Resolved that in accordance with Ch. V, Act 283 of the Public Acts of 1909 as amended, the township of Bates build 0.54 miles of road as specified in Class E, 16 feet metal, under section ten of said chapter and act as amended; that application be made for state reward in the sum of 1700.00 per mile for aid in the construction thereof; that the road is further described as follows: beginning at Station 0+00 which is a point 1322.4 ft. south of the 1/4 corner common to Section 20 and 29 T. 43 N. R. 34 W. ending at Station 28+45 which is a point 1522.6 ft. North of the 1/4 corner common to Section 20 and 29 T. 43 N. R. 34 W.

the same being a leading public wagon road; that a profile of the present road and plan of the proposed changes be made by a competent surveyor; that copies of this resolution and of the profile and plan be forwarded to the State Highway Commissioner at Lansing; and that he be requested, if same are satisfactory, to furnish outline plans and general specifications required in the construction of said road."

We hereby certify that no part or parcel of the portion of road covered by this application lies within the incorporated limits of any city or village, and that no state reward has heretofore been paid upon any part of said portion of road.
